ISSUE #7

Convicted Hollywood rapist Harvey Weinstein agreed to a deal in exchange for his testimony against hundreds of top Hollywood celebrities and their involvement in the drug business, pedophilia and child trafficking. Instead of 55 year sentence, he only received 23y sentence. In exchange, he provided testimonies against some of the biggest & most powerful names including Prince Andrew of UK, former president Bill Clinton, former vice president Joe Biden, Tom Hanks, Oprah, Ellen DeGenerous, Quentin Tarantino, Charlie Sheen, Bob Saget, Kevin Spacey, John Travolta, Steven Spielberg, Podesta, NXIVM and PIZZAGATE sex trafficking clubs, and hundreds of more who all were directly involved with Jeffrey Epstein. In exchange of Jeffrey Epstein's testimony, he was allowed to make a deal and have his suicide in prison faked.

CEOs of some major world corporations have been indicted/arrested and some forced to resign all in the last 30-60 days, such as CEO of NBA, Harley Davidson, Gates Foundation, Intel, McDonald's, Cesar Awards, Vatican Chief of Police, Disney..etc Approximately 700-800 more resignations are coming in the next 3 months.

Lab-created Corona Virus is a cover up for mass mandatory vaccination agenda, as well a covert US Intelligence operation that the world has ever seen and this mass 158,000 arrest operation will remove & capture the biggest evil & corrupted politicians, celebrities and CEOs including global elites and bankers such as George Soros, UN officials, founders of GRETA INC.

Trump will win 2020 elections and arrests of former US presidents will occur in early 2021. All major arrests will be covered by media as an accident or conspiracy theory. All arrested individuals will be given "Rommel Death" meaning choice between suicide/accidental death in return for assurances that his/her reputation will remain intact, or face criminal trial that would result in public disgrace.

Some top religious leaders will be arrested or forced to resign, some will get "Sick" suddenly. Vatican will be the first and the Pope will be removed in 2020. Production of human extracted Adrenochrome will be revealed and Hollywood and Vatican will be directly responsible for it.

Coming up there will be a 2 month complete shut down of the worlds most common operations such as schools, stock exchange, some Banks, airports, shipping, travel, events, galas, expos, sport games, sport championships, music award ceremonies, NBA/NHL/Baseball games, ship cruises including food shortage and

Hi. That was a dumb announcement. I've deleted it. This server's staff supports Reproductive rights, LGBT rights, stands for everything that the US Supreme Court is looking to destroy. As the server owner who is both a woman and a member of the LGBT community if you disagree with these ideologies I strongly suggest you go else where because I certainly don't want you here (tldr kindly fuck off if you think this Supreme Court decision is good news).

That said, our server has a strict no political discussions rule as we wish to keep our server focused on FFXIV. Discord has many servers in which you can discuss the current events. We would appreciate respect in this matter and thank you for your understanding. If there's issues with the rules or you feel moderation is not being applied fairly you can feel free to DM me directly and I'll deal with it. Thanks.

The love of her life

Naomi Biden is engaged to her longtime boyfriend Peter Neal. Peter proposed to Naomi over Labor Day weekend in September 2021 at Jackson Hole. From skillfully handling her personal life, building a professional career, and managing all the limelight that comes with being Joe Biden's granddaughter with elan, she is proving to be an efficient multi-tasker. Biden's fiancée, Peter, was a fellow law student and is scheduled to get his J.D. in 2022. The newly engaged couple recently shared a photo taken in Jackson Hole, Wyoming, captioned, "Forever."
